48V SYSTEM

Diskret design – maksimal frihet – enkel montering

POWERGEAR 48V system – elegant presisjon for profesjonelle prosjekter

POWERGEAR sitt 48V skinnesystem er utviklet for det profesjonelle belysningsmarkedet og passer perfekt med armaturer som benytter POWERGEAR 48V-adaptere.

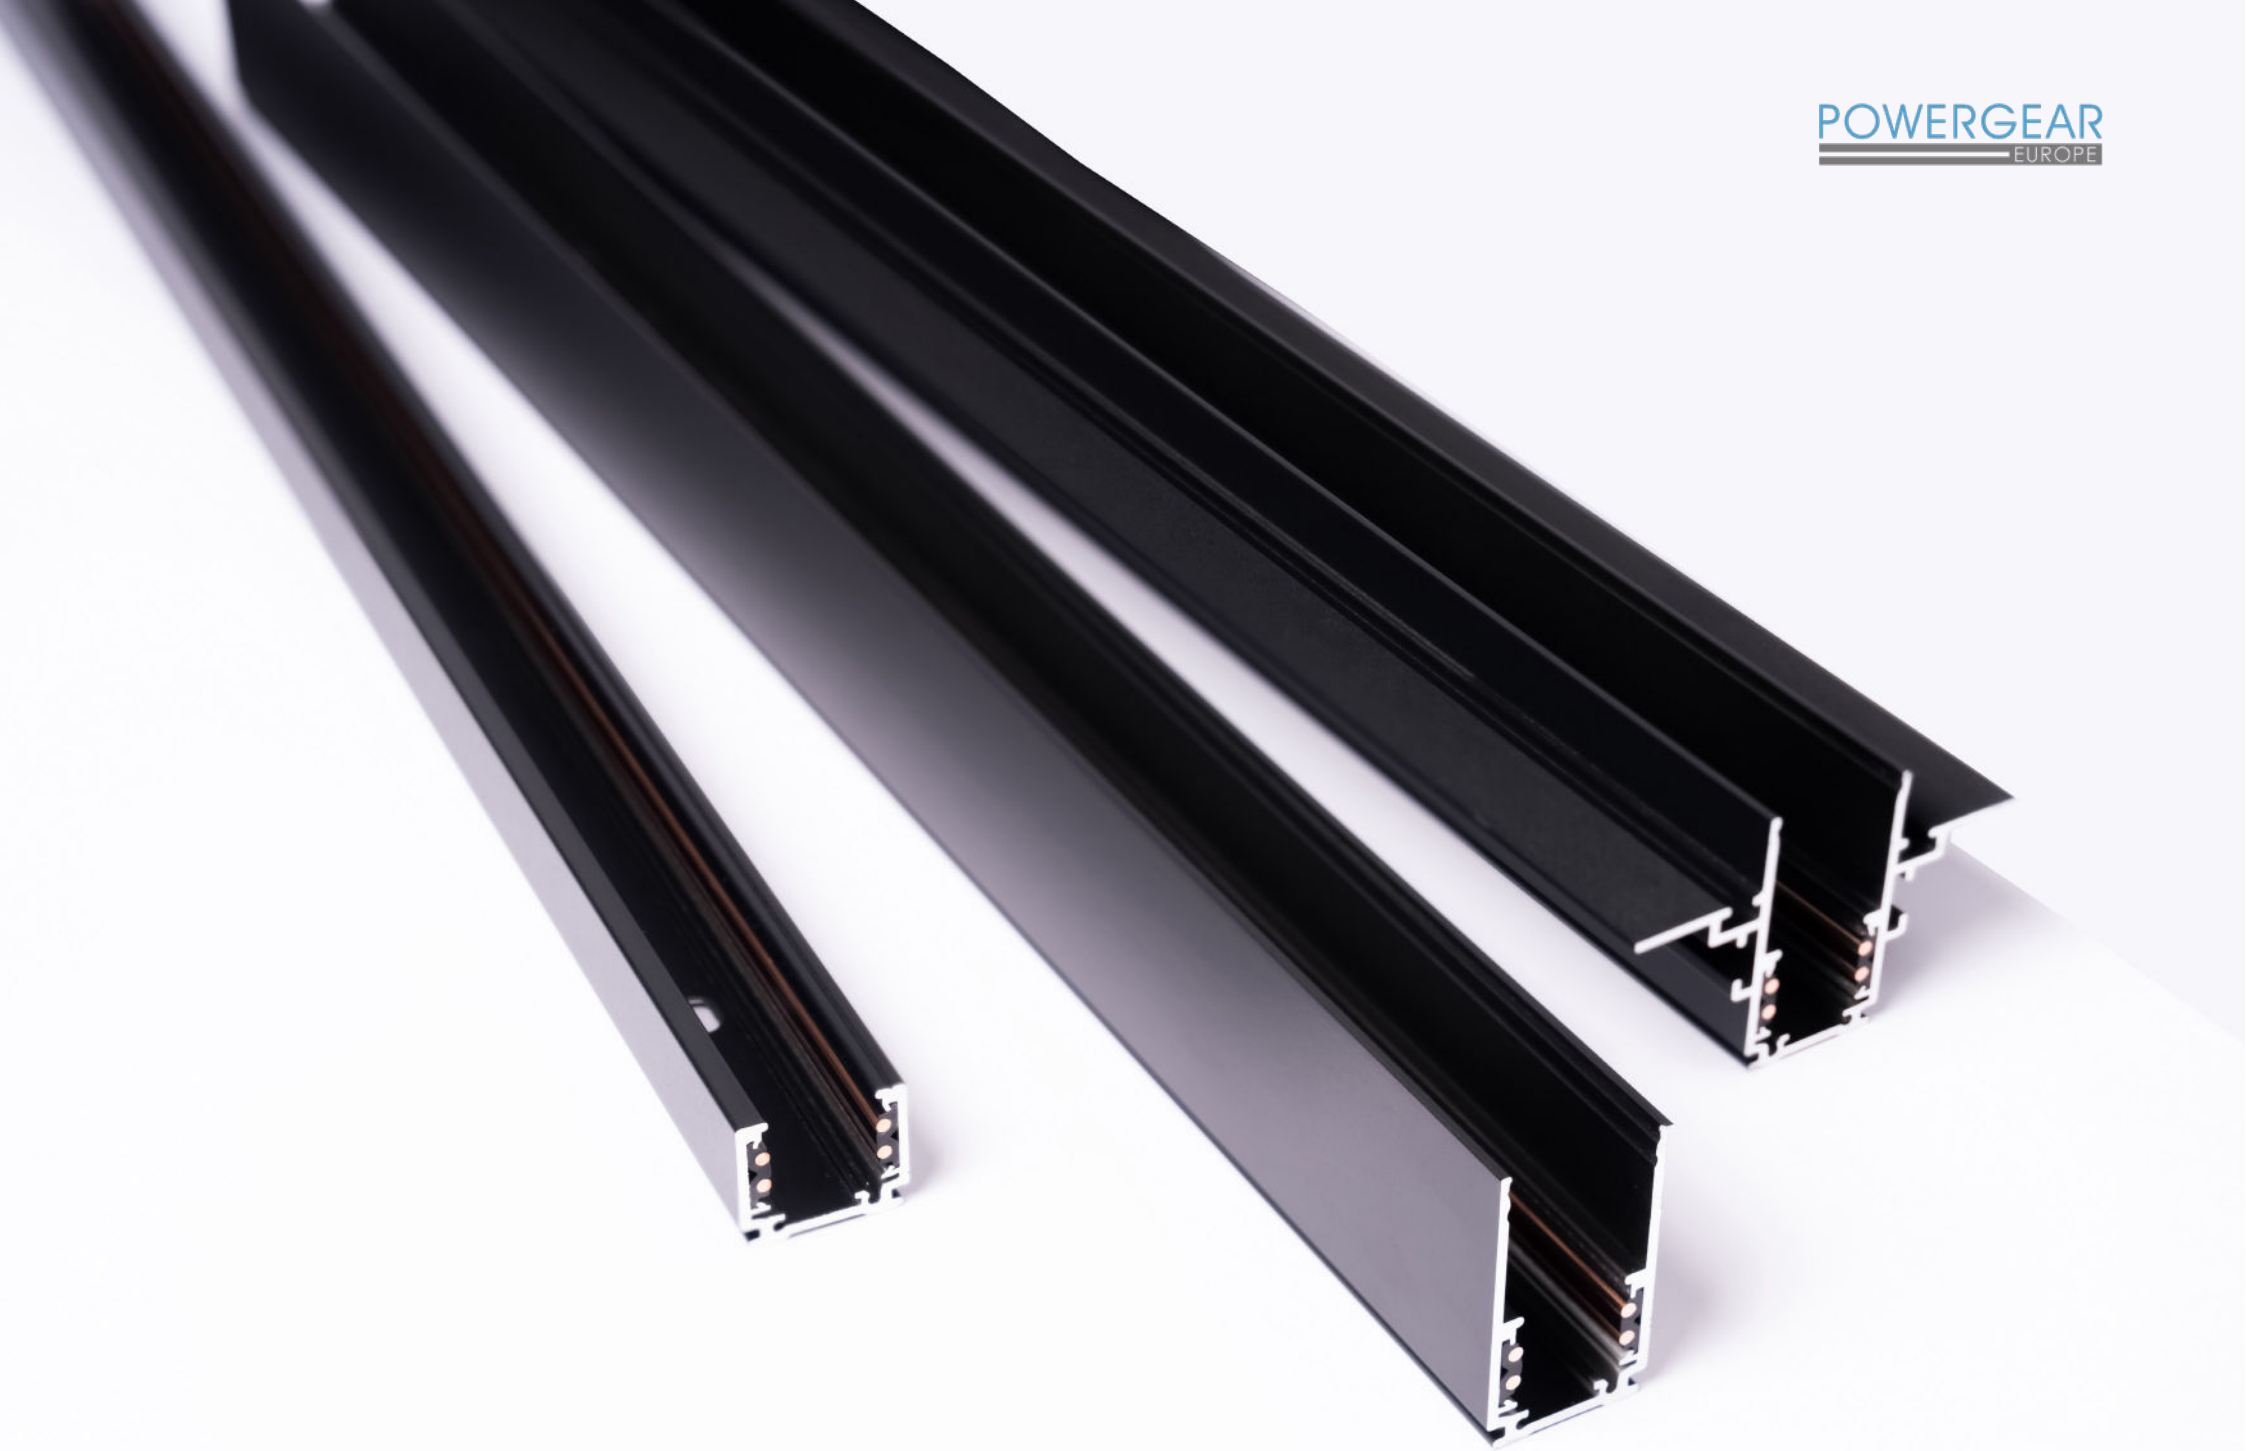

Enten det handler om estetiske eller tekniske krav – i eksklusive boliger, high-end butikker eller restauranter – er dette systemet det ideelle valget når diskret og stilrent design er viktig.

Med et bredt utvalg av innovative tilbehør og et mangfold av spesialtilpassede adaptere, får lysdesignere maksimal frihet til å skape unike og intelligente belysningsløsninger.

POWERGEAR 48V leveres både som utenpåliggende og innfelte varianter, og det smarte EZCLICK-monteringssystemet sørger for enkel, rask installasjon – også i nedhengte løsninger.
