

# TOKEN K300

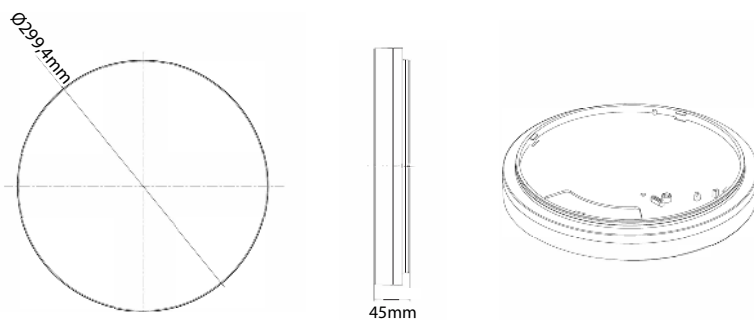

# LUMEN TOOLS

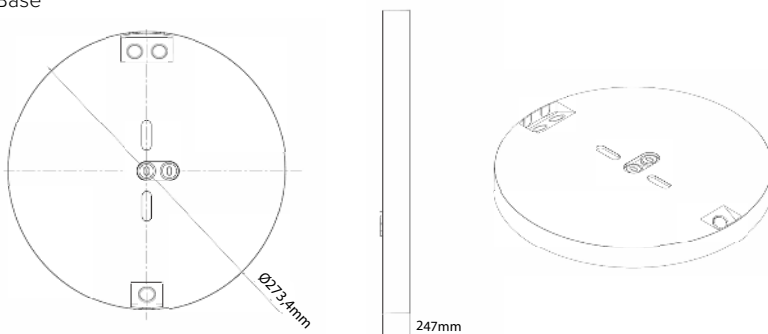

|                   |                 |
|-------------------|-----------------|
| Lyskilde:         | LED             |
| Effekt            | 17W / 21W       |
| Fargetemperatur:  | 2700K/3000K DIP |
| CRI:              | > 80            |
| Effektivitet:     | 113-123lm/W     |
| Lumen:            | 2270lm / 2760lm |
| UGR:              | < 21            |
| Driftspenning:    | 230V            |
| McAdam:           | < 3             |
| Beskyttelsesglass | Inkludert       |
| Beskyttelsesgrad: | IP54            |
| Slagfasthet       | IK10            |
| Spredning:        | 110°            |
| Farger:           | Hvit / Sort     |
| Kjøle metode:     | Passiv          |
| Dimbar:           | DALI / Triac    |
| Levetid:          | L90 100.000t    |

Lampe

Base

## DALI2 driver base

|                |             |
|----------------|-------------|
| Lekkasje strøm | 0,31mA      |
| Start strøm    | 3,79A 170us |
| Type           | AM          |

## Triac driver base

|             |             |
|-------------|-------------|
| Lekkasje    | 0,45mA      |
| Start strøm | 8,45A 270us |
| Type        | AM          |

## Sensor driver base

|                |           |
|----------------|-----------|
| Lekkasje strøm | 0,7mA     |
| Start strøm    | 15A 650us |

## Nødlys driver base

|             |              |
|-------------|--------------|
| Lekkasje    | 0,3mA        |
| Start strøm | 20,64A 220us |
