

Pocket 9201R/WRRCVT Wall Recessed - Step light medium

Rev. 02/03/2024

Pocket, the new outdoor step light line, has been conceived with an eye to detail. We recognize that each space is unique, which is why Pocket is available in three different sizes: whether it is lighting a garden, a driveway or a pedestrian path, our range meets all needs. Its compact shape does not compromise its effectiveness. In addition to its eye-catching aesthetic, our line of step light offers advanced features to enhance your outdoor experience. It can be easily fixed to the traditional electrical junction box or installed on the surface.
