

# tribes

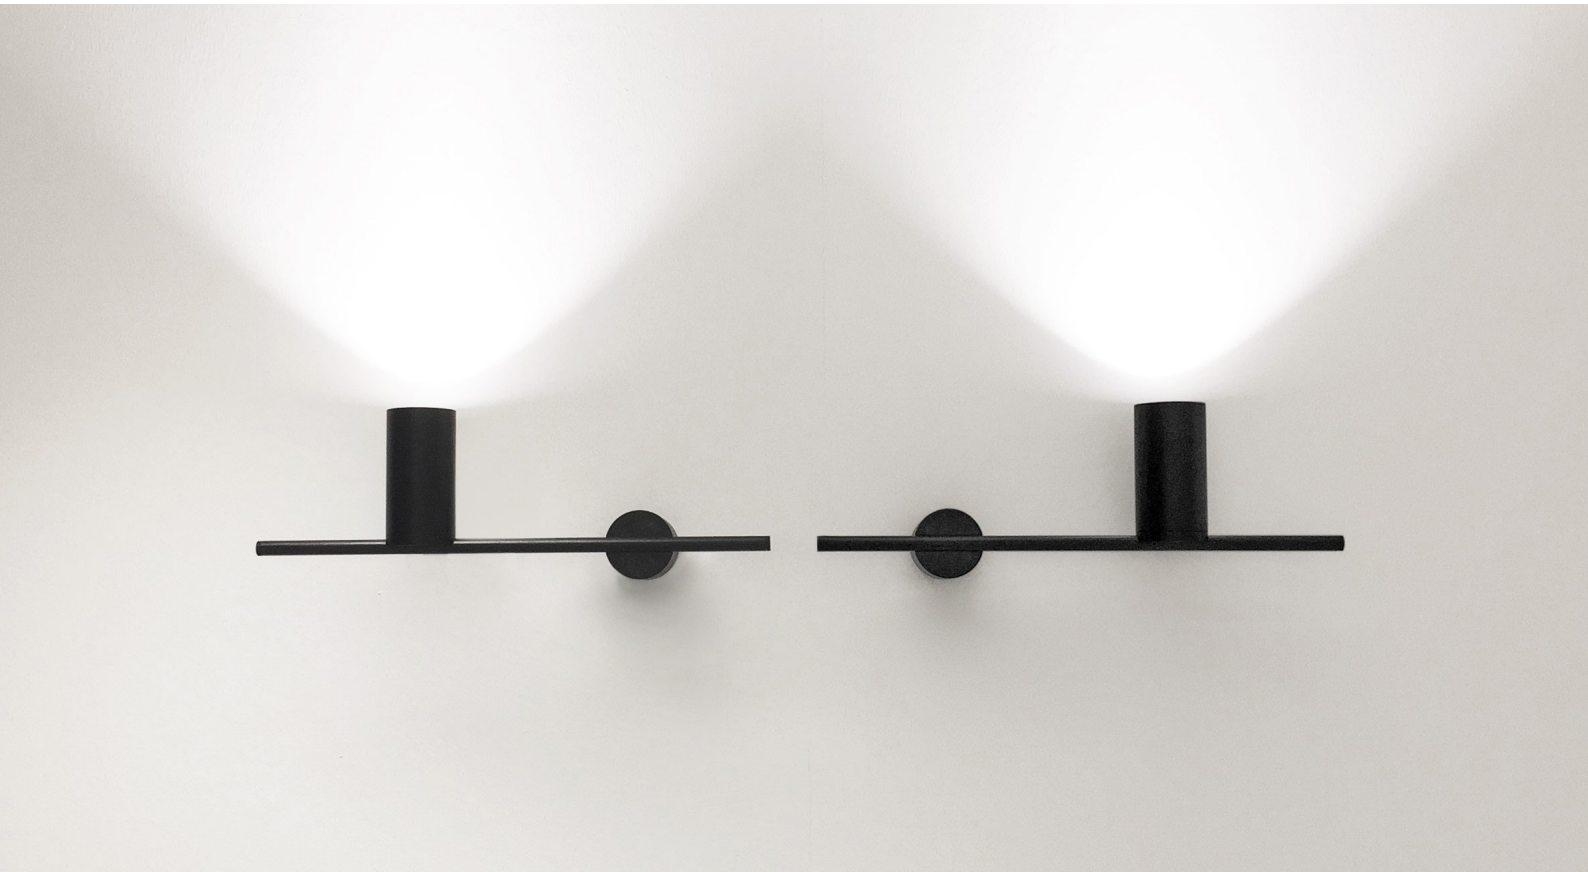

design by david abad

Inspired by the 'Calumet', those sacred pipes that are smoked by the indigenous tribes of North America. TRIBES is a family of pendant luminaries with a very graphic and minimalist design and is equipped with two direct and one indirect LED spot modules or with 3 direct spots.

TRIBES can create a unique and dynamic atmosphere. It is manufactured in three versions: individual or double with a clean graphic image and the triple version with a marked personality that creates a chandelier effect, which fits perfectly in the most contemporary spaces as well as classic or vintage interiors.
